Profile

Motivated computer science student eager to apply theoretical knowledge in a practical, real-world environment. Strong problem-solving skills and a keen interest in software development, Artificial Intelligence, Computer networking, Python programming and data analysis, looking to contribute effectively as a computer science intern.

Education

- Bachelor of Scinece, Honors Degree in Computer Science**
- Jan 2024 - Jan 2027
- Midlands State University, Gweru
- Studied computer systems, operating systems, Principles of programming languages, Database Systems, networking concepts, Data Structures, Software engineering to understand hardware-software integration
 - Gained expertise in programming languages such as Java, Python, and C++ for application development
 - Learned about artificial intelligence, machine learning, and data analytics to solve complex computational problems
